ABOUT:

An aspiring Full Stack Developer with a certificate in Full-Stack Developer Pro from Imarticus Learning. I have completed my Bachelor's degree in Computer Applications (BCA) in the year 2014, specializing in information technology. I am a full-stack developer with a passion for building innovative and user-friendly web applications. I have a strong understanding of both front-end and back-end development, and I am proficient in a variety of programming languages and technologies. Additionally skilled in leadership, public speaking, problem-solving, and decision making. Looking forward to utilizing these skills in the organization.
